Writer and illustrator, Gina C. Browning, says some of the verses in her poetry book first came to her in her dreams as she was recovering from surgery years ago. The poems and illustrations in Moonbeam Dreams gradually evolved into a keenly rhymed, fantastical romp through a fantasy land, with weird and wonderful characters for readers of any age to enjoy. Her poetry truly is for the young at heart. Browning thinks her dreams are fun and adventurous, as she always looks for the positive side to everything. Her book encourages children not to be afraid of the dark, and to believe in themselves and their abilities so that almost anything is possible. Browning says dreams can come true either in daylight or night if you believe in them strongly enough.
